Make a case for a good cause

You can turn your love of quilting and sewing into messages of comfort, hope and love – for a foster child, a cancer patient, victims of domestic violence, and others. Every pillowcase will make a difference in our local community.

The *American Patchwork & Quilting* One Million Pillowcase Challenge is continuing through 2011 – and they need our help to reach their goal of providing 1,000,000 pillowcases to people who need to know someone cares. In 2010, over 200,000 pillowcases were recorded on their website. **IF DESIRED, ADD NUMBER OF PILLOWCASES SHOP DONATED IN 2010.**

Join us at our pillowcase event. **EVENT INFO HERE.** The pillowcases made during our event will be donated to **LOCAL CHARITY NAME.**

IF DESIRED, INSERT PERSONAL MESSAGE HERE.

Pillowcases are a quick and easy project (and a great way to use up your stash). Even if you've never sewn before, you can make a pillowcase. The challenge website has free patterns and a how-to video to make it even easier!

Join me and make pillowcases throughout 2011. My personal goal is **XX** pillowcases. I'm going to donate them to **LOCAL CHARITY NAME.**
