**Assemble Pinwheel Units**

1. Mark a diagonal line on wrong side of solid ivory 3-3/8" squares.
2. Layer a marked solid ivory square atop each gold print 3-3/8" square. Sew each pair together with two seams, stitching 1/4" on each side of drawn line (**Diagram 1**). Cut each pair apart on drawn line to make two small triangle units. Press each triangle unit open, pressing seam toward gold triangle, to make 144 gold triangle-squares total.
3. Repeat Step 2 with remaining marked solid ivory squares and the light teal print 3-3/8" squares to make 96 teal triangle-squares.
4. Sew together four gold triangle-squares in pairs (**Diagram 2**). Press seams in opposite directions. Join pairs to make a gold pinwheel unit; press seam in one direction. The unit should be 5-1/2" square including seam allowances. Repeat to make 36 gold pinwheel units total.
5. Repeat Step 4 with teal triangle-squares to make 24 teal pinwheel units.

**Assemble Blocks**

1. Lay out four gold pinwheel units, one teal pinwheel unit, and four solid ivory 5-1/2" squares in three rows (**Diagram 3**). Sew together pieces in each row. Press seams toward pinwheel units. Join rows to make block A; press seams in one direction. Block A should be 15-1/2" square including seam allowances. Repeat to make four total of block A.
2. Referring to Step 1 and **Diagram 4**, use three gold pinwheel units, two teal pinwheel units, and four solid ivory 5-1/2" squares to make block B. Repeat to make six total of block B.
3. Referring to Step 1 and **Diagram 5**, use one gold pinwheel unit, four teal pinwheel units, and four solid ivory 5-1/2" squares to make block C. Repeat to make a second block C.

**Assemble Sashing Units**

1. With a pencil, trace Sashing Unit Foundation Pattern 24 times onto lightweight tracing paper,

tracing all lines and numbers. Cut out on outer dashed lines to make foundation papers.

2. For one sashing unit, you'll need three dark green print 2-1/4x2-3/4" rectangles, one solid ivory 2-1/4x2-3/4" rectangle, and five solid ivory 1-1/2x2-3/4" rectangles.
3. Right sides together, place a dark green print 2-1/4x2-3/4" rectangle atop a solid ivory 2-1/4x2-3/4" rectangle, aligning edges. Put a foundation paper on top of dark green print piece, positioning fabric pieces underneath area 1 (Diagram 6). The fabric pieces' edges should be a scant 1/4" beyond first stitching line (line between areas 1 and 2).

To check placement, pin through all layers on first stitching line and flip solid ivory piece open. It should completely cover area 2 and extend at least 1/4" on all sides. If it doesn't, reposition pieces and check again.

4. Using short stitch length and with foundation paper on top, sew on first stitching line through all layers.
5. Trim seam allowance to 1/4" and press solid ivory piece open. Trim fabric pieces to scant 1/4" beyond adjacent stitching lines and even with edges of foundation paper (Diagram 7).
6. Right sides together, position a solid ivory 1-1/2x2-3/4" rectangle under trimmed dark green print piece with one long edge 1/4" beyond second stitching line (line between areas 2 and 3). Sew on second stitching line (Diagram 8).

7. Trim seam allowances to scant 1/4". Press solid ivory piece open and trim to scant 1/4" beyond adjacent stitching lines and even with edges of foundation paper (Diagram 9).

8. Continue adding pieces in numerical order, trimming and pressing after each addition. Trim all fabric pieces even with edges of foundation paper. With blunt edge of seam ripper, remove foundation paper to complete a pieced sashing unit. The unit should be 2x6-1/2" including seam allowances.

9. Repeat steps 2 through 8 to make 24 pieced sashing units total.

### Assemble Quilt Center

1. Referring to **Quilt Assembly Diagram**, lay out four A blocks, six B blocks, two C blocks, 24 pieced sashing rectangles, 10 solid ivory 2x9" rectangles, six dark green print 2" squares, and seven solid ivory 2" squares in seven sections.

2. Join sashing pieces together in each section or row. Press seams toward pieced sashing rectangles. Sew together pieces in each block row. Press seams toward blocks. Join block and sashing rows to make quilt center. Press seams in one direction. The quilt center should be 48-1/2x65" including seam allowances.

### Assemble and Add Borders

1. Cut and piece solid ivory 2x42" strips to make:
  - 2 -- 2x81-1/2" border No. 4 strips
