

Project: Calm Breeze Cutting Diagram

If you want the stripe placement in your version of *Calm Breeze* to match the featured quilt, crosscut two brown and-blue stripe  $4\frac{1}{2} \times 42$ " strips into a total of 24— $2\frac{1}{2} \times 4\frac{1}{2}$ " rectangles with stripes running parallel to long edges of the unit (as shown in diagrams 2-4). From remaining material, crosscut four  $2\frac{1}{2} \times 42$ " strips into a total of 36— $2\frac{1}{2} \times 4\frac{1}{2}$ " rectangles with stripes running perpendicular to long edges of the unit. Place the units with the perpendicular stripes in the units circled in red.
